- Three 3D-titles,
- Five placeholders,
- Logo show with the Last text,
- Clouds textures (with alpha channel),
- No Plug-ins demanded;
- You will find just two AE templates: that the completely Editable and also the prerendered ones -- that the leave time is 2-3 hours to get the Prerendered variation and 5-6 hours to the brand new version (Core i7, 6Gb RAM);
- That can be an After Effects CS4 Undertaking file. Length -- 1280 px-- height -- 720, frame speed -- 29.97 fps. (HDV/HDTV 720 29.97)
