Retro Sport Collection provides 10 color-grading presets that can be used on mobile and desktop computers, Lightroom, Photoshop, and ACR. Instagram Presets, Sport Presets, Wellness Presets, Retro Lifestyle Presets.

This is a set of presets for professional photographers looking to improve their workflow as well as for enthusiasts looking to boost their sporting images or videos. Retro Sport Presets will add an authentic retro look to your contemporary DSLR or mirrorless smartphone photography. These presets are versatile and appealing medium-high contrast toning, with 10 different styles to select from. Ideal for photographers on commission as well as journalists and other creatives looking to create a consistent picture design and enhance their Instagram portfolio or sports feed.

Make sure to use the RAW format for best results. Adjust the settings for Exposure, Contrast, and White Balance for maximum flexibility and consistency with any other photo source.

Best for:

- Photography of sports
- Lifestyle and blogs
- Outdoor action portraits
- Social media

YOU GET 10 PRESETS:

- to all the versions that run Adobe Lightroom, including older 4-5 ('lrtemplate) and the newest Lightroom CC and Lightroom Classic (.xmp)
- to Adobe Photoshop by using Adobe Camera Raw (.xmp)
- to Mobile (.dng)

Compatibility: Use Lightroom 4CC 2021 and Photoshop CS6-CC (with Adobe Camera Raw 7.1 and higher) with all current versions. Complete support for Mobile and automatic sync with Adobe CC plan users and DNG presets for those who don't have a plan.
