Colorama Color Kit – 80's Edition (Photoshop):

The version of the Photoshop

Available for Illustrator Procreate and Illustrator. Procreate.

Check out our shop's profile for Illustrator and Procreate versions compatible with each other.

COLORAMA 80's Edition is the very first special edition of the top-selling Colorama Color Kit.

This edition was in the spirit of Horror Movies and Comic Books from the 1980s. We collaborated with Canadian artists Jason Edmiston & Sara Deck to present a wide collection of 80's-infused design tools and color palettes.

Gfx plugin details of Colorama Color Kit – 80's Edition (Photoshop)

Colorama offers the complete equipment needed to provide it with a stunning palette, no matter if you're working on illustrations, branding, poster design web design, or any other type of graphic design or artwork for digital and printing.

- **More than 60 Color Palettes** 66 pre-mixed ready-to Utilization Color Palettes designed for Photoshop which you can easily add to your library. Additionally, they are conveniently compiled into the form of a Digital Booklet containing each palette that is displayed in a separate way and ready to be used for creating illustrations.
- **Easy "PLUG & PLAY" ADOBE LIBRARY FOR ALL PALETTES** Easy "plug & play" option allows you to transfer the library file into Adobe Illustrator for immediate access to the complete Colorama 1980's Edtion pallet library. (Adobe Illustrator CC is required to use this feature. In the case of the older version, we've added an Illustrator CC Vector Chart)
- **Action Set** The Photoshop version includes a complete Action Set containing 5 PS Actions that will help you achieve the 80s look flat 3D Effect for your art.
- **2 x Seamless High Resolution (300 DPI) OLD PAPER TEXTURES** We've also included 2 Seamless Smart Object High Resolution (300 DPI) Old Paper Textures that will give an attractive worn-out texture to your work to give that 1980's wear-n-tear paper feel.
- **SIGNATURE PALETTES and Q&A video with Jason Edminston.** Jason Edminston has achieved the status of a renowned designer and artist. Jason shares his ideas and discusses his method of thinking using a small palette and the way he chooses his palettes.
- **SIGNATURE PALETTES and Q&A video with SARA Deck** Sara Deck is also an artist of the visual arts with a particular love of the Horror genre as well as pop culture. Sara is a master of surrealist art and has been gifted with this Special Edition with no less than 12 gorgeous signature palettes.
