We're thrilled to bring you an exclusive limited edition Atlas extension set that includes four brand-new presets as well as two distinct innovative profiles. As with the original, this set provides stunning skin tones, deep blacks, and a general contemporary feel, while also expanding the most popular tonal palettes in the community and the modern features that you've come accustomed to. Therefore, go ahead and make a plan for what you're looking forward to next, Atlas SE is perfect for the trails ahead.
