What is the Liminal Space Lightroom Preset Pack?

Lightroom presets are pre-defined settings in Adobe Lightroom, a popular photo editing software. These presets are designed to apply a specific set of adjustments and effects to your photos with a single click. They can save time and help maintain a consistent look and feel across a series of photos.

A "Liminal Space Lightroom Preset Pack" would likely be a collection of presets designed to create a particular style or mood in your photos. The term "liminal space" often refers to transitional or in-between spaces, and the presets in this pack may be designed to evoke a certain atmosphere or mood associated with this concept.
