Aotbb KUNJANI: Amapiano and Chill: Presenting 'KUNJANI - Amapiano & Chill' by AOTBB, an all-in-one sample pack boasting over 330 files, featuring 152 WAV loops, 98 MIDI files, 82 one-shots, and 6 log drum presets. This comprehensive collection, designed to meet all your Amapiano production needs, delivers unheard-of sounds for your next hit record.

Dive into essential samples that will elevate your track, including drum loops, melody loops, and bass loops. Take control of your project with the included MIDI files, enabling you to apply melodies to any sound or simply drag and drop WAV files into your preferred DAW to kickstart your creative process.

The pack also features one-shots, allowing you to craft new beats, fills, and loops to complement the existing material. Load them into your favorite sampler and generate an endless array of drum loops.

As a bonus, enjoy the inclusion of 6 log drum presets in .fst files.

All loops and samples are 100% royalty-free, ensuring you have the freedom to create without limitations.
