**Julez Jadon Game Drive Sounds Recorded in Namibia:** Inspired by the ambiance of Namibia's culture and nature, we came up with this unique project that gives the viewer a glimpse of our journey through this stunning country! Each Sample represents a location or stop we've been to and is a sort of audio diary.

The sonics of "Game Drive" are inspired by bass, guitar synths, and vocals. It is accompanied by pounding drums that have beautiful patterns. The music is pure Afro-Pop created from individually recorded vocals and instruments to provide the best quality.

We hope you'll have fun with this pack!
