Unreal Engine - MC Idles Pack v5.3:

Mocap Studio Series - The Idles Pack

Elevate your project with the realism of motion-captured performances from the Idles Pack. These animations cover a spectrum of human idle motions, offering seamless transitions for a lifelike experience. The MoCap Central Studio Series ensures compatibility between packs, allowing for fluid transitions between animations.

- 150+ animations
- 2 demo maps to view animations independently or in flowing sequences
- Clean start/end poses for smooth transitions
- Male performances suitable for both genders
- High-quality motion capture system used in AAA games
- Updates actively provided based on user requests

Animations Included:

- Breathing (heavy, lean over breathing hard, raise arms)
- Tired (yawn, stagger, fall forward)
- Shift Weight (left and right casual weight shift with a look around)
- Feeling Cold & Hot (shivering, wiping brow)
- Listen to Music (bopping to beats)
- Smoking (lighting, inhaling, flicking ash, putting out with foot)
- Need the Toilet (stomach cramps, leaning over, desperate)
- Lean Against Wall (regular back, raised foot, side with hand on wall)
