We Are Memory Catchers – The Beach Collection – Desk and Mob: Prepare to discover your new favourite presets with The Beach Collection – a versatile set designed to enhance your beach imagery and beyond. While specifically crafted for beach scenes, including sand, surf, and grass-scapes, these presets seamlessly elevate a wide range of photography styles.

The Beach Collection features 8 stunning colour presets for Lightroom and ACR and 19 convenient one-click add-ons to streamline your editing process.

Here's what's included:

- 1. DRIFTWOOD: Soft, romantic, and evocative, perfect for a stylized, vintage vibe.
- 2. DRIFTWOOD II: Similar to Driftwood but with slightly cooler tones.
- 3. SALT: Poppy, energetic, vibrant, and crisp, ideal for creating stunning jewel tones.
- 4. SALT I: Similar to Salt but with a slightly different undertone.
- 5. SALT BREEZE: A softer version of Salt, perfect for achieving a light, airy, pastel vibe.
- 6. SAND: Tweaked for beach settings, enhancing greens and blues for captivating results.
- 7. TROPICAL SUNKISS: Transport yourself to tropical bliss with this preset, ideal for blue skies and full sun shots.
- 8. STORM: Cool, deep, and slightly sad, reminiscent of the film with a touch of grain.

In addition to the presets, there are also add-ons available for Salt and Driftwood presets, allowing for easy adjustments to depth, colour pop, blues, whites, greens, and more. Experience the ease and versatility of The Beach Collection presets and take your photography to new heights.
