What is Traveler Lightroom Presets Creativemarket 3561451?

The Traveler Lightroom Presets are designed to give your photos a modern, bright, and juicy look, perfect for bloggers and influencers. The warm brown, orange, and gold tones seem like they'd add a nice, toasty touch to your images.

The fact that it's easy to edit and correct colors, especially orange, is a plus. A consistent style across your photos can make your feed or collection stand out.

It's nice that it's compatible with both Lightroom 4-7 and CC versions, and it works with JPG, mobile photos, and raw images. The .lrtemplate files make installation straightforward, and clear instructions are always helpful.
