Bland to Brilliant Dodge & Burn Action: Kelly demonstrates her preferred Dodge and Burn technique in this tutorial video with an accompanying Photoshop Action. She employs this technique to give her images a new dimension and depth.

The "50% Grey Layer technique" differs from Photoshop's standard toolboxes of burn and dodge because it creates an undestructive, more efficient editing process.

Gfx plugin details of Kelly Brown – Bland to Brilliant Dodge & Burn Action

The product is in the **Photoshop category**, for more information about this post you can click on the home page link in the sidebar.
