How to Draw Your Dreams by Enrique Plazola: Ever envisioned drawing your dreams? While journaling or writing about your dreams is common, translating them into drawings is a unique and less-explored avenue. We all experience nightly dreams, and with some practice in recalling them, you can bring them to life on paper.

How can we translate our nightly dreams into visual artwork through drawing?

You can use the course "How to Draw Your Dreams by Enrique Plazola."

In this course, I'll guide you through the entire process of drawing your dreams, and the best part is you don't need any previous drawing experience. It's a personal and explorative journey I've been on for years, and today, I'll share the step-by-step process with you.

Course breakdown:

- Writing/Journaling Your Dream Thoughts: Start by jotting down your remembered thoughts during the dream, capturing the essence of the experience.
- Thumbnailing in Pencil: Transform your written ideas into pencil sketches, refining your concepts.
- Thumbnails in Ink: Explore a more fluid approach to transfer your ideas onto paper, adding dynamic details.
- Final Drawing: Bring your dream to life in a polished, finished drawing.

This course is designed to be an enjoyable and creative journey, whether you're a beginner or an experienced artist. Choose any dream element that inspires you, and immerse yourself in the entire process from inception to completion. I look forward to seeing your results and hope you enjoy expressing your dreams through drawing. Let's kick off this drawing course with enthusiasm! Yay!
