Certain activities require the camera raw filter, so make sure to check the version of Photoshop you are using before purchasing since no refunds will be granted (and to be honest, I'd buy this regardless, even if I don't possess the raw camera) ... One action requires the use of a select subject. If you don't have it, don't let that stop you from moving from doing it; I'll guide you through it by hand.

I am SO satisfied with this collection.

Certain digitals are developed using AI. However, they are painted in Procreate, enhanced, altered in Photoshop, and then back to Procreate in most instances and back to Photoshop. Most of the backgrounds were PSD files and required several hours of work. While AI created the base, the remainder of the work was extended with endless creativity, Kirsty.
