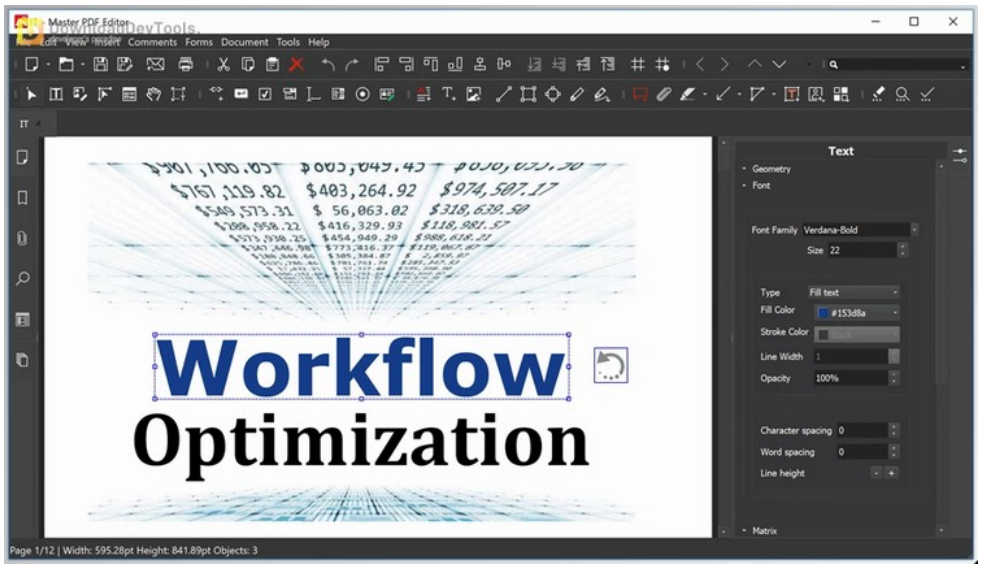
Master PDF Editor v5.9.94 for Win x64 Multilingual

2025-09-18 22:37:04



Master PDF Editor is a versatile PDF editing application known for its user-friendly interface and multifunctional capabilities. It simplifies tasks such as viewing, creating, and modifying PDF documents, offering features like merging, splitting, commenting, signing, and encrypting PDFs for comprehensive document management.

Standout features of **Master PDF Editor** include advanced text and object editing, enabling users to easily modify text with various formatting options, insert images, and manipulate document elements. The application also provides robust annotation tools, enhancing tasks like document review and note-taking. It excels in handling interactive PDF forms and implementing optical character recognition for efficient text search in scanned documents.

With support for operations on PDF pages, digital signatures, and the creation of PDFs from paper documents or existing files, is a comprehensive solution for streamlined PDF document management, offering an array of features to meet diverse user needs.

Key Features of **Master PDF Editor**:

1. View, create, modify, sign, scan, OCR, and print PDF documents
2. Edit text and objects within PDFs
3. Insert and manipulate images in PDFs
4. Annotate PDFs with Sticky Notes, Measuring tools, Shapes, Strikethrough, Underline, and Highlight functions
5. Create and fill in interactive PDF forms.
6. Implement optical character recognition for efficient text search in scanned documents.
7. Perform various operations on PDF pages, including merging, splitting, moving, removing, inserting, and rotating.
8. Manage PDF bookmarks for quick navigation.
9. Utilize the virtual PDF printer for easy document printing from various applications (Windows version only)
10. Support for digital signatures, including checking, creating new ones, and signing documents with a digital certificate
11. Create PDFs directly from paper documents using a scanner
12. Create documents from existing files or insert empty pages into an existing document

所有软件资源 100%安全 已检测 无病毒 无篡改
