Product Details

This is what's in it. retrolicious (is this an actual word? It's a word. I officially declare it as a word!) the collection of items:

- RetroLift: Get stunning retro 3D typography in just one click! This pack was included in the Adobe Blog and Advanced Photoshop magazine.
- RetroPress gives your work that vintage retro print style in a short time. RetroPress provides your artwork with the appearance of ink that has soaked into the paper. You can get subtle bleeds, rough edges of the ink, the look of ink soaking into paper, and halftone effects.
- RetroSauce – Who doesn't love the design of screenprint and letterpress textures? RetroSauce lets you acquire amazing screenprint and letterpress textures. Create your own authentic look by using RetroSauce. RetroSauce actions pack.
- The Woodsman The Woodsman the time of the year to enjoy the holidays without wood prints fuzzy flannel, and seamless wood print patterns. The Woodsman offers everything you need to design a professional to survive the harsh winter months.
