Home Interior TV Mockups - AE Project VH-54092324:

The Home Interior TV Mockups by Premiumilk is a versatile After Effects project designed for showcasing photos or videos within a realistic home interior setting.

Compatible with After Effects 2019 and newer versions, the project offers 4K resolution and includes 11 scenes—5 with dynamic camera movements (10 seconds) and 6 with static cameras (60 seconds).

Users can easily drag and drop their media, with no plugins required. The project also features extensive camera control options, allowing for various zoom and pan effects.
