The Refined x Caroline Tran Collection has vibrant presets that enable you to showcase your images in a bold, vibrant hue.

In collaboration with world-renowned wedding and portrait photographer, as well as commercial photographer Caroline Tran, this expanded range of presets provides an array of distinct colors, black and white, and mobile presets. Change your style with the ability to mix and match various film stock options and edit with consistency in different lighting conditions, all while maintaining the luminous skin tones of film and grain-like color and grain that is reminiscent of films.
