EverEdit v4.5.0.4500

2024-12-29 08:36:42

The modern, most potent, value-priced text editor! Fast, lightweight, extendable, and easy-to-use native 64-bit and 32-bit versions are available! EverEdit provides a productive environment for programmers and web authors. It also supports powerful scripts, Unicode, huge files, themes, snippets, and more.

EverEdit Great Features:

- Multiple Selections
- Full Unicode Support
- Emmet/Zencoding
- Native Markdown Support
- Snippets
- Large file support
- Built-in Hex Editor
- Minimap
- Symbol List
