ProdViom Inception Portal Bank Series: Experience a revolutionary approach to presets with the Inception Portal Bank series, designed to address the common issue of situational presets found in third-party banks. Derived from insights provided by over 200 valued customer feedback responses, the Inception Portal Banks aim to streamline your workflow, saving you valuable time in the search for the perfect sound.

The Full Bundle comprises three comprehensive Portal Banks, each loaded with 25 meticulously crafted presets:

The Inception - Portal Bank Vol. 1

- 25 High-Quality Portal Bank Presets
- Best possible quality, refined based on feedback from over 200 producers

The Inception - Portal Bank Vol. 2

- 25 High-Quality Portal Bank Presets
- Best possible quality, refined based on feedback from over 200 producers

The Inception - Portal Bank Vol. 3

- 25 High-Quality Portal Bank Presets
- Best possible quality, refined based on feedback from over 200 producers

Bonuses included with the Full Bundle:

- 10 Dark Melody Samples
- 10 Bass MIDIs
- Key & BPM labeled for convenience
- Inspired by Nardo Wick, Future, EST Gee, and Travis Scott
- 10 PDF Pages of Secret Sauce by Viom
- This comprehensive bundle not only provides you with top-notch presets but also enhances your creative arsenal with bonus content, ensuring a well-rounded and inspiring music production experience. Elevate your sound with the Inception Portal Bank series and unlock a new level of efficiency and creativity in your music production journey.
