**The Ultimate Transitions Pack V2 – DR VH-33870760:** DaVinci Resolve is the new youngster on the block for video editing with a revolutionary new user interface as well as color management and a timeline concept that elevates any editing ability and content to a new level. To enhance DaVinci with the most effective and relaxed effects, we exceeded the standard box ones; we adapted our wildly popular Ultimate Transitions Pack for DaVinci Resolve!

Over 200+ easy-to-use high-end, elegant High-End-Transitions to use with your YouTube-, Video-and Film-projects. Let your work reach the Ultimate quality right now!

### NEW IN VERSION 2:

- It has radically improved the whole structure of the package using smaller files while improving its performance, stability, and memory consumption.
- More than 10750 image sequences were removed across 70+ items. Re-make them using DaVinci effects instead
- The new categories have been added to the list. (Parallax as well as Kaleidoscope)
- New designs in some of the categories: Fire Beautiful, Light Leak, Flare, Brush, Spray
- Animations that have been refined in the Zoom, Stretch, Glitch, and Shape Wipe categories.
- New controllers were added to alter more specifics
- Bug Fixes

- 200+ High-End Transitions
- Choose from 21 distinct categories
- Simple to edit within DaVinci Resolve
- NO COMPLICATED FRAMERATE ADJUSTMENTS ARE NECESSARY - IT WORKS INSTANTLY WITH ANY FPS!
- Simple Drag & Drop
- All Resolutions
- Variable durations
- Compatible at any frame rate
- Zoom Target Control
- All colors and values can be changed
- Compatibility With DaVinci Resolve 18 and newer
- Work with videos and images
- Video tutorials with videos included
