### Atomic Sounds Premium Color Bass Sample Pack (WAV):

In times of financial difficulties, musicians are particularly affected. The expansion of the sound library can be an opportunity. This is why I designed this bass-color pack. It is fully accessible to producers of any kind.

With the most advanced hardware and devices, these packs come with the following features:

- 25 bass loops
- 20 bass one shot
- 20 one-shots of colored bass
- 15 drum loops
- 70 drums
- 45 fx sounds
- 16 melodies
