Aescripts Titles Factory:

The extension offers a powerful and versatile solution for creating captivating title animations in After Effects.

With over 400 uniquely designed titles across 11 categories, users can customize their animations by choosing from three distinct entry and exit modes for each title design. The extension simplifies the process of adjusting text, fonts, colors, and effects, allowing for the creation of visually stunning and personalized sequences. Users can further enhance their animations with adjustable speed and duration using markers, ensuring precise timing and impact.

- **Extensive Library:** Over 400 title designs across 11 categories.
- **Customizable Animations:** 3 entry and 3 exit animation modes for each title.
- **Visual Effects:** Includes attractive effects for animation titles.
- **Ease of Use:** Simple customization for text, fonts, and other settings.
- **Speed & Duration Control:** Adjust animation timing with markers.
