So happy to announce my PRESET PACK 2020 v2 is Now

Available for you to get!

What is inside?

You will Find a ZIP Document with the newest PRESET PACK.

You will also receive 30 of my favorite raw documents to control your edits.

Note: these are just for private use and you can edit and then place them on Instagram with appropriate credits. No commercial usage is acceptable.

The 15 new Presets come as .XMP documents (for the Hottest Lightroom Classic) as Well as .irtemplate documents for older versions!

Totally compatible with both Desktop & Mobile, optimized to get a natural and Soft color balance with a different tonal style.

These presets will Accelerate your workflow in Lightroom and will act as a foundation To change your own edits.

They Are also an effective way that you understand how to edit working Backward in my preset to comprehend the procedure I've applied Throughout the workflow.

- 5 foundation layers
- 15 Lightroom Presets
- Sterile Looks
- Landscape Tones
- One-Click Edits
- Enhancing Outcomes
- Moody Effects
- Adventure/Nature

NOTE :

PLEASE Be Sure You CONFIRM THE PAYPAL RECEIPT AFTER BUYING!

The Way to INSTALL THEM:

- the very best document is really a zip file That You can unzip with a program called (rar)
- And presets can also be in XMP format too which you can easily import to Your own lightroom.
