ULTIMATE PRESET PACK BUNDLE V1 & V2:

The Ultimate Preset Pack Bundle includes 50 presets for Adobe Lightroom, divided into two packs (V1 and V2), designed for travel, nature, lifestyle, and landscape photography.

The bundle offers 50 desktop presets for Lightroom CC, Classic, and Lightroom Mobile, as well as 50 mobile presets for the free Lightroom mobile app. These presets are optimized for vibrant, colorful, and eye-catching tones, perfect for enhancing your photos with minimal adjustments—mainly focusing on exposure and white balance.

The collection provides a solid foundation for editing, especially with RAW files, but also works well with JPG images. The presets are available in both .xmp (desktop) and .dng (mobile) formats.
