

Epic Stock Media Humanoid Creatures WAV-FANTASTiC

2025-02-10 16:52:18 [label](#) [我要反馈](#) [下载页面](#)

Epic Stock Media Humanoid Creatures WAV-FANTASTiC: Each monster comes with multiple variations of the sound type: deal damage death, pain/hit, alarms specific to FX, specific to the character, and more vocalizations. All Royalty-Free files are pre-mixed and master-mastered and made to the highest quality and size to limit the distribution of games and memory. RTU-OTB

It's perfect to be used in animations, games on video, mobile apps motion graphics, films, and VR audio productions. We've thoughtfully designed this collection of sound effects to cover all kinds of animal and monster sounds. We've made them easily available in this one sound pack so that you can have more freedom and flexibility in deciding on the best attire for your animal.
