TMS VCL Cloud Pack v4.2.2.2 (28 May 2024) for Delphi & CB XE-12 Athens Full Source

2025-01-17 01:26:24

Unlock seamless access to a vast array of popular cloud services directly from your Windows applications with the **TMS VCL Cloud Pack**. Offering a wide range of components, this pack is essential for enhancing your Windows UI development and boosting productivity. With **TMS VCL Cloud Pack**, you gain effortless integration with various cloud services, empowering your applications with capabilities like cloud payment services through PayPal, cloud management with Google Calendar, Contacts, Places, and Tasks, and cloud logging with ExceptionLess.

provides comprehensive support for many cloud services, including Google services like Places, Tasks, Calendar, Contacts, and more, Microsoft's Computer Vision and Emotion, and Apple's iCloud contacts and calendar. It also covers popular platforms such as Dropbox, Box, and PayPal for online payments, YouTube for video management, and social media access for Facebook, Twitter, and LinkedIn. The pack includes messaging with PushOver, SMS services with Twilio, Esendex, BulkSMS, TelAPI, and barcode generation with Barcodes4.Me.

Moreover, **TMS VCL Cloud Pack** facilitates access to file storage, conversion, and logging services like CloudConvert and Cloudinary, ensuring seamless integration of cloud functionalities into your Windows applications. With its extensive range of components, the **TMS VCL Cloud Pack** simplifies incorporating cloud services into your applications, providing developers with the tools to create feature-rich and interconnected software solutions.

Key Features of **TMS VCL Cloud Pack** :

1. Seamless access to popular cloud services
2. Wide range of included components

所有软件资源 100%安全 已检测 无病毒 无篡改
