Toolroom Amine Edge and DANCE (WAV):

The Toolroom's Trademark series keeps shining light in the studio's House one of the most popular producers in music, with Amine Edge and DANCE. They are known for their uniqueness and distinctive mix of Tech House that draws inspiration from old House, Bass, Philli Funk, and 80's Hip-House. the French duo has become a regular favorite not just for their regular productions but also as DJs, hosting some of the most stylish parties. The label CUFF has released tracks by artists like Shiba San Chris Lorenzo, Tim Baresko, and Clyde P alongside housing the duo's own originals and remixes. The pack typically has a huge collection of production-ready Loops as well as one-shots. They range ranging from full drum grooves, and music loops, to individual stems, basslines, and one-shots. A further essential feature for every House as well as Tech House producers.
