Double Exposure Photoshop Action allows you to create stunning photos in just seconds. This pack includes an ATN Photoshop Action that features 25 duotone and 10 vintage colors, as well as many other effects and adjustments.

It's very easy to use. Open the first image, paint the subject in another layer, then play the action again and add the second.

Apply one or more colors and effects to the saved image.

The English version of Photoshop is

ZIP contains :

- 1 ATN Photoshop action in 35 color combinations
- 1 ABR file containing 5 natural brushes
- Guide for PDF
