Checkered + 70s Flower Power Patterns in Procreate: This class is excellent for anyone new to the Procreate app or those looking to try their hand at the world of pattern design with basic projects.

This course will show you how to set up your workspace to work on patterns, use tools in the app to make it easier for you to manage the process, and ensure that you stay organized.

If you're beginning to learn about digital illustration, this class is ideal since you'll be introduced to the most effective tools you might not have even heard of!

Let's play around and make some flowers in a fun and exciting way!

This is the Pinterest board that you can use to find ideas.
