Retro Social Media Windows for PR VH-37870817: Retro Social Media Windows is an old-fashioned design template reminiscent of the older computer windows that are vertical in resolution. Full-color controls with the option to alter other options. Use this retro-inspired template to make video tutorials of older PC softs, tales on social media in a retro style, and much more. Include your logo and other media, write text with any style type, alter the color and enjoy the outcome.

- Slideshow in retro style
- 4k resolution
- Full-color controls
- Links to the fonts included
