Blogger Bundle 135 Lightroom Presets (LRTEMPLATE): The most comprehensive Lightroom presets package for bloggers and all those who want to elevate Instagram to the highest level. This exclusive collection contains an option for nearly every kind of photos such as fashion, portrait landscape, lifestyle, travel food photography, and many more. Colors that are popular, such as teal and orange vintage film, warm and golden lighting are available in the pack.

Since images speak louder than words, look at these screenshots and see the many possibilities offered by this bundle that includes 135 Lightroom presets. The presets are organized into folders, making it simple for you to browse and locate the appropriate setting for your photo. This means you won't get lost in an abundance of presets that all appear similar ...

- **People and Lifestyle** (15 presets) Realistic, Matte and Faded
- **URBAN and Travel** (10 presets) Realistic Sunset and Sunrise
- **Landscape** (35 presets) Realistic / Dark and Moody / Winter, Summer, and Autumn
- **FOOD** (17 presets) Realistic / Matte & Faded / Dark & Moody
- **POPULAR STYLES** (30 presets) (30 presets) Orange & Teal / Black & White / Warm & Vintage Film / Golden
- **Global Adjustments** (28 presets) Exposure/Vignetting / Split Toning/ Grain

Each preset has been meticulously created and tested with a range in images (RAW plus JPG) and camera models such as Nikon, Canon, Fuji, or Sony.

Please Note Because every moment of life is different, there is no "one-click" preset. It is always necessary to adjust the basic settings especially **the Color-Temperature** as well as the **Whites and Blacks** under the "Basic" panel. Thus, each preset is designed as a base.

- It is compatible to work with **Adobe Lightroom 4, 5 6, CC, and the Classic version** for both Mac and PC
- All presets are compatible with **RAW and JPG** images.
