Greyscalegorilla – Light Gobos:

LIVE IN SHOWROOMS.

Let us know if created an object with the sole reason of casting shadows over your rendering. We've all done it. With the new Light Gobos from Greyscalegorilla, the work is taken care of for you. Plus, Members have five collections of Gobos to pick from...that's 64 different patterns to bring drama to your render. Make use of plants, Windows, Lines, Caustics, or abstract patterns to create a contrast and give visual depth to your render.
