**Urban Creative Slides for After Effects** is a versatile template designed for creating stylish presentations, artistic promos, and vibrant slideshows.

### How to design our project to create artistic advertisements and slide shows in After Effects?

You can use "Urban Creative Slides for After Effects" to design your project.

It features five dynamically animated scenes with customizable media placeholders, colors, and text. The template showcases a multicolored, hand-drawn, abstract retro style with unique textures and shapes, making it ideal for enhancing social media content, modern marketing campaigns, and trendy typography animations. It includes full-color controls, font links, and a video tutorial, and is compatible with After Effects 2021 and above.

### Package information

Updated and published on June 27, 2024, the Urban Creative Slides template for After Effects CC includes project files, six media placeholders, and twelve text placeholders.
