

After Effects: Essentials of Line Animations

2025-02-10 16:50:33 label 我要反馈 下载页面

**After Effects: Essentials of Line Animations:** We will understand how line animations can be added to the video using After Effects. Anyone can take this course, as it will teach you the basics of using After Effects. In most cases, we'll be suitable to the core and not go through massive amounts of information. I'm hoping to make the experience as enjoyable for you as I can as I understand the reality it is possible that After Effects may be very intimidating initially. Therefore, I have included zoom-ins on the essential menus so you can observe my actions. Also, the breakdown will be completed at the close of the course (outro).

Gfx plugin details of After Effects: Essentials of Line Animations
