**Animated Storytelling: Create an Emotive Animation in Procreate Dreams:** Join Smitesh Mistry, a versatile creative who thrives on exploring various artistic disciplines, as he delves into the world of animation with Procreate Dreams. Renowned for his whimsical and abstract style showcased on platforms like Instagram, TikTok, and Skillshare, Smitesh is eager to demonstrate how Procreate Dreams has enhanced his creative process and opened new stylistic avenues.

In this comprehensive class, Smitesh will guide you through creating an animated short film, from storyboarding to exporting the final animation. You'll learn how to craft a compelling narrative, develop engaging characters, and infuse your animation with organic movement and hand-drawn elements using Procreate Dreams.

**With Smitesh's expert instruction, you'll:**

- Begin by creating a rough storyboard to solidify your concept.
- Learn how to select music that complements your story's emotional tone and themes.
- Develop your characters and design captivating backgrounds to bring your world to life.
- To add depth and polish to your animation, utilize Procreate Dreams' powerful tools, such as the Performing tool, and effects like Gaussian blur and glow.

Additionally, you'll gain valuable insight into Smitesh's workflow as he demonstrates the creation of his own animated short from start to finish.

Whether you're a natural storyteller looking to venture into animation or an experienced animator seeking to expand your skills with Procreate Dreams, this class will equip you with the knowledge and techniques needed to plan, execute, and export a fully animated story, all within a single app. By the end, you'll have crafted a unique and captivating animation with distinctive characters, emotive scenes, and playful animated effects.
