History for Premiere Pro (Videohive 43405809): Create stunning slideshows of memories or fashionable movie openings using stunning shadows, spotlights, grunge, paper textures, and elements with this exclusive Premiere Pro (MOGRT) template!

This highly animating video production can help you create a minimalist, dark-style slide show using smooth cameras and grainy film!

Show your photos of memories of romantic or sentimental events, special occasions, anniversary celebrations, trips, and pictures of friends and family through this slideshow of vintage photos! This project is excellent on Memorial or Independence Day!

Use this project to create an elegant and beautiful opener for your television films, shows, history-style films, military slideshows and trailers, teasers, historical photo documents, and event videos!

- Premiere Pro 2021 or above
- FullHD (1920x1080), 30fps
- The PDF tutorial is available
- History (MOGRT) (00:05, x8)
