Toontrack Metal Fundamentals EZmix Pack (WIN): This EZmix pack tailored for EZmix 2 is crafted to provide you with a curated selection of 50 essential signal chain presets, addressing the foundational elements of a metal track. Covering drums, guitars, bass, vocals, keyboards, mastering, and more, this pack offers a comprehensive solution for your metal mixing needs.

Whether you require a refined drum bus, additional ambience, or a quick fix for a snare issue, these presets have you covered. Adjusting your bass tone but seeking a low-end boost? It's just a mouse-click away. With a diverse collection of guitar and bass tones, vocal settings, and mastering presets optimized for metal perfection, everything is conveniently within reach. Say goodbye to the hassle of juggling effects and meticulous tweaking, and keep your creative flow intact.

- 50 presets featuring intricate signal chains of effects.
- Comprehensive coverage for essential instruments and challenges in metal mixing.
- Versatile presets designed to complement various metal styles and genres.
- Includes presets for drum buses, overheads, ambiences, rhythm, lead and clean guitar tones, and more.
- Specialized presets for lead vocals and vocal effects.
- Mastering settings to give your metal tracks a polished finish.
