Freaky Loops Melodic UK Garage Vol 2: Introducing Melodic UK Garage Vol. 2 – the highly anticipated sequel to our acclaimed original release. Prepare to elevate your music productions with an even more enticing fusion of delicate and gritty garage melodies, enriched with soulful and inspirational sounds. Ignite your creative spark with this scorching collection, meticulously curated to bring a plethora of fresh and innovative elements to your upcoming projects.

From irresistible shuffled beats to infectiously skippy melodies, syncopated hi-hats to pulsating basslines, meticulously crafted combi loops to velvety keys, stunning synths to funky stabs, and more - we've spared no effort in assembling the ultimate arsenal for your sonic adventures.

Dive into a staggering 501 MB of raw content, featuring 250 loops at 127/130/135 BPM and 150 one-shots, ensuring a wealth of creative possibilities.

While this pack is a haven for UK garage enthusiasts, its sonic reach extends to various genres, making it an invaluable asset for jackin' house, breakbeat, bass house, grime, EDM, and beyond. The possibilities are limitless—get ready to weave these sounds into your compositions with style and finesse. All samples are key and tempo-labeled for utmost flexibility.

The melodic UK Garage Vol. 2 is your gateway to unparalleled creativity, pushing boundaries and setting your productions ablaze with its signature style. Prepare to take your music to unprecedented heights!
