Dubstep FX 2 delves into the driving aspect of Dubstep offering 240 primed fx sounds, ready for battle. As the second installment in the series, we chose to take on the fx sound we encounter the most throughout Dubstep, Fall FX, FX Hits & the essential Rise FX. There's such a vast range of dubstep fx within each category that these gorgeous sounds can ensure that you keep your Dubstep tracks running for many years. They can fill in the gaps in your productions as well as seamlessly transition your tracks.

Due to the strength of the fx sample, they also work well with a range of genres, including Electro House, House, Complextro, Progressive House, Main Room & Trance. Get your tracks ready and sprinkle with the magical dust using Dubstep FX 2.

Please be aware: Dubstep FX preview includes bassline beats, synth lines, and beats to illustrate only.
