### Hand Drawing Butterfly Brush Stamp M7FHPX8:

Procreate 100 butterfly Stamps Brush Tattoos Hand Drawn, Celestial Cute Basic Top star Doodle line art digital How to Paint Simple abstract

100 hand-drawn butterflies that create stamp brushes! These brushes are ideal to add to hand lettering or other art projects. They can be used in any color or opacity and can be adjusted to fit your artwork. This pack includes 100 butterfly illustrations with different textures, styles, and more!

After you've downloaded your brush open your file app and select ".brushset" ".brushset" file. It will import automatically into procreate and be located on the top of your folder for brushes (inside the icon for the paintbrush).

These brushes are only compatible only in the app Procreate.
