# 5 Coconut Lightroom Presets By TheWayfarerShoppe (Mob, Desk)

2025-02-10 17:05:27　　label 我要反馈　　下载页面

- Get your photos to the next level.
- You can save time editing
- Make sure your edits are consistent and coherent
- Get more followers on Instagram
- How to edit like a pro

Wayfarer Presets might be for you if you answered "yes" to any of these questions.

Here are the contents of your purchase

- 5 Unique Mobile Presets (DNG)
- 5 Unique Desktop Presets (XMP)
- A Step-by-Step Installation Guide

These preset make it easy to edit on the go!

**Compatibility**

- Compatible with all photo formats, including RAW and JPEG
- Compatible with the FREE Lightroom Mobile App
- Compatible with Desktop Lightroom classic v7.3 (2018) or newer

Note: All presets will work differently on each image. Because every photo is unique (shot in different lighting, etc.), you might need to make small adjustments after applying the preset.
