Photo Slideshow - Slideshow Memories:

This project incorporates a modular approach, allowing for great functional versatility. No additional plugins are needed to make the most of it. The project's duration is 4:40, containing pieces such as colour change. There are 70 placeholders available for maximum content integration. The project is rendered in FULL HD (1920x1080) resolution. It has a complimentary video tutorial for set up and a great piece of audio, which is best purchased separately.
