CreativeLive – Creating Fantasy Landscapes: The majority of photographers have tons of landscape photos stashed on different hard drives, from hiking trips, vacations, or photographs of landscapes. They are just an inspiration for our creativity as we create the unimaginable in Photoshop. Bret Malley will demonstrate how you can transform landscapes into a unique dreamscape with customized brushes, textures, and other tools included in this fantastic program.

Lessons of the course:

- Class Introduction
- Collecting Source Images
- Establishing A Workflow
- Sorting In Bridge
- Editing In Photoshop: Starting With The Mid-Ground
