Create this stunning effect with your photos using only a few clicks. This feature is designed to help you save much time per image.

### Drawing Color Photoshop Action

My Working Software Version: CS5 English Version. The only limitation is that you install the software in English.

### Certain Recommendations

For the best result from this Photoshop Action, you should make use of solely high-resolution photos. We recommend resolutions of 3000px x 300 dpi 3500px, it is the most effective..

### The Layers Organization

The greatest benefit of Photoshop Action is that it keeps your layers separated. So you can continue to edit your image in a snap while customizing it to your liking. Every Photoshop Action has its own layer organization.

### The File is Included

- Brushes (ABR)
- Pattern (PAT)
- Action (ATN)
- Help file (Notepad)
