We Are Memory Catchers – The Happiness Collection: Introducing "The Happiness Collection," a vibrant and versatile set of presets designed to elevate your photography with freshness and vibrancy. This collection features 12 punch-packing color presets, each aimed at maintaining accuracy across all hues, along with a warm, easy-to-adore black and white option.

How can we improve our photography with vibrant presets?

You can use "We Are Memory Catchers – The Happiness Collection."

Within "The Happiness Collection," you'll discover a diverse range of preset families, each designed to streamline and enhance your editing process while infusing your images with energy and style.

- **Frankie:** Developed to enhance whites and brights, Frankie excels in hospital and urban settings, offering vibrancy and depth reminiscent of a sunny winter's day. Two green adjustment add-ons provide versatility for outdoor shots.
- **Goldie:** A subdued choice, Goldie is perfect for dialling back images for a delicate or low-key result.
- **Luca:** Inspired by fuji film, Luca brings a filmic energy that introduces a carefree and nostalgic softness to your work.
- **Rascals:** The most colourful and punchy preset in the collection, Rascals evokes innocence, childhood, and summer sunshine, ideal for happy outdoor memories.
- **Sylvie:** Named after its creator's gal, Sylvie offers a natural yet elevated look with a subtle punch, perfect for clean and impactful images.
- **August B&W:** This warm and unique black-and-white preset adds a touch of nostalgia and easy-to-adore charm to your monochrome images.
