Polaroid Torn Photo Frames - 159305297:

The Polaroid Torn photo frame collection contains 17 PSD models with nostalgic Polaroid frames and torn edges.

Each template is easy to edit using smart object replacement, with customizable backgrounds and natural shadows for added realism.

Ideal for creating Instagram and Facebook posts, website banners, presentation slides, and more.

The collection includes fully editable text and templates (3000×2000 pixels, 300 DPI).
