TVP Custom Presets for Lightroom & ACR – The Poet Pack:

Exciting news – introducing the long-awaited Poet Pack! After dedicating nearly a year to its creation, I'm confident that these presets will become a fan favorite. The Poet Pack boasts a rich and moody aesthetic, leaning towards warm tones and a captivating preference for browns. The name "Poet" was chosen through a contest, as it perfectly encapsulates the pack's style, inspired by the avant-garde and the spirit of the 70s.

Comprising over 12 color presets, 2 black and white presets, and 5 mobile presets, this pack is meticulously organized to provide a clear understanding of each preset's unique characteristics. To assist you in maximizing the potential of the Poet Pack, a comprehensive 10-page PDF is included. This guide details the purpose of each segment and outlines the key ways I enhance my images post-preset application. Additionally, there's a PDF instruction guide on installing your mobile presets, ensuring a seamless experience with this creatively curated collection.
