Yoast SEO PREMIUM v20.4 + Addons Nulled

2024-12-18 23:04:30　　label 我要反馈　　下载页面

In Yoast SEO, you can enter the keyword or keyphrase that you want your webpage or article to rank for in the search results. We then run a check on your own posts to evaluate whether you're working with the keywords often enough -- but not too often -- and at the perfect places. In Yoast SEO Premium, we believe this one major step further. We will not only care for the keyword or keyphrase you enter, but we will analyze your text on all variations of this word or phrase. In the event, the important phrase is"room decorating ideas" and additionally the synonym is"horizontal decorating ideas" all the possible word kinds of each word is considered:'apartments'," chambers','region's ',"decorate',"" decorates','decorated','idea', etc... This way, you're maximizing your own text. With this addition in Yoast SEO Premium, we can guarantee that no added WordPress plugin comes closer to how Google will know your own text! We're constantly working on optimizing this to all available languages
