Kai Boettcher - Celestia Preset Pack:

This preset pack for Adobe Lightroom includes 10 filters (plus a bonus filter) designed to enhance the natural earth tones in your images. Ideal for achieving both clean studio looks and cinematic sunset vibes, these presets elevate rich colors while maintaining a natural aesthetic.

Compatible with Lightroom 4, 5, 6, Classic CC & CC, Lightroom Mobile, and Adobe Photoshop Camera Raw, the files come in LRTemplate, XMP, and DNG formats. A tutorial is included, and users are advised to install an unzip program on mobile devices. Note that all sales are final with no refunds available.

The document provides instructions on installing Renaissance Preset Pack for Lightroom mobile/CC/Classic & Photoshop. Here are the steps:

- Download and install the free mobile App iZip for iOS or Android.
- Download the Renaissance Preset Pack from your order confirmation email.
- Open the App "iZip" and head to "Document browser."
- Click on the "Renaissance.zip" and open it.
- Press "Ok" when it asks if you want to export all files.
- Click on "LR_MOBILE" and press on the first preset you want to import.
