Joy Zamora presets has been designed to work in any lighting situation. The earthy tones can make your images cozy and intimate. There is black and white with contrast as well as a grainy one.

There are 5 top-quality presets that have been extensively tested on numerous images and in various lighting conditions.

1.ANDROMEDA | 2. 3. BOREALIS 4. DRACO 5. LYRA | 6.MAIORIS | 7. AQUILA

The presets were created by a Canon user. However, I've tested the presets on Sony also Fuji and they work flawlessly also.

The presets are designed to be editable in any version of Lightroom which accepts . XML files.
